TUTU & TIARA'S

PAMPER PARTY BUS

AVAILABLE FROM JULY 2012!

For the ultimate pamper party experience, celebrate your child's birthday in our magical pink pamper party bus where dreams come true!

The bus is equipped with a foot spa, nail bar, hair & make up station & disco! Your child and her friends will love being treated like a Hollywood Superstar.

The party starts with their pamper experience, which includes a facial, nail varnish on their hands and feet & hair curling or straightening & make-up.

We have art and crafts to keep them amused in between treatments and when they are all pampered and looking like princesses, we have our mini disco with bubble machine for more fun with party dances and games.

But if it's not a party you're after we can come to you** for makeovers for school proms, bridesmaids, or just as a treat! Our fantastic Princess Deluxe & Glitter Princess Packages are the perfect gift for a special little girl.

**Please note that depending on your location there may be a charge to cover travel costs.
